Venue access	Facilities	14:00

N&00: 5. Questions for the coordination call

I-526E: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

9g89: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

X#24: The monitoring log contains 20 references to much and Dean, alongside routine status updates. Can all 20 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

J#14: A liaison also received 11 requests mentioning much and Dean. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

0d10: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

6014: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

30/X0: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

741374: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

6730: Record 69-505. The file preserves the following case entry. Ethan plays video games after he finishes his chores every night. On Monday and Tuesday, he played a 4-hour game of his favorite video game each night. On Wednesday, he played a few rounds of a 45-minute game. On Thursday, he finished chores early and played a 6-hour game and a 15-minute game. On Friday, he got to stay up late, so he played two (2 + 2)-hour games. If he played 23 hours of video games in all, how many 45-minute games did he play on Wednesday? The entry was retained with the case materials for review.

88/D8: A progress log contains 14 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning much and Dean, what final value is required? Could the item be closed before the 11:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 29 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

1861: Record C4-141. The file preserves the following case entry. A gardener works for 4 weeks each month and for the number of days from Dec. 26 (this year) to Jan. 1 (next year) per week. If she earns \$50 per day, what is her total income if she works for a full year? The entry was retained with the case materials for review.

O&34: The planning desk grouped 27 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning much and Dean, what final value is required? Would a further review call before 9:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 21 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

B#47: A coordinator marked 25 status updates for later attention. The accompanying prompt reads: For this revised scenario, according to the brief's case material concerning much and Dean, what final value is required? Can the requested outcome be confirmed during the 9:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 28 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

K45: Record 38-299. The file preserves the following case entry. Determine how much does Dean earn in August if he works 6 hours a day at a rate of $\square 20$ per hour, works as many calendar days as lie between 12/29 this year and 1/2 next year a week for 4 weeks, and receives a weekly bonus of $\square 3219$ for the company's good performance. The entry was retained with the case materials for review.

6g36: The case tracker lists 21 pending references for the briefing. Its next action item repeats: For this revised scenario, according to the brief's case material concerning much and Dean, what final value is required? Should the team settle the item before the 13:00 meeting? Supporting materials were archived with the case file. A supplementary review continued to discuss case, tracker, lists, pending.
