

Quantitative Case File

9k49: Regional Operations Brief — prepared for the 9:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

H90: 1. Purpose and reading note

11/M1: Record 5A-562. The file preserves the following case entry. Rohan was setting up for a dinner party at his house, where he planned to serve roasted chicken. He realized that he was out of paper plates, so he bought a new package of plates. Later, his wife also bought a package of 10 new plates and gave them to Rohan. While Rohan was making the roasted chicken, he used eight of the plates to serve his sauces. Later, when he went to set the table, he had a total of $(14 + 17)$ plates. How many plates were in the package that Rohan bought? The entry was retained with the case materials for review.

G00: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

03/Z3: 5. Questions for the coordination call

Y67: Should a second status call be added this afternoon? Can the public information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

37/D7: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

M#06: The monitoring log contains 29 references to greenwood and elementary, alongside routine status updates. Can all 29 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

q-194C: A liaison also received 5 requests mentioning greenwood and elementary. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

9x29: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

9I09: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.
