

## Quantitative Case File

Q62: Regional Operations Brief — prepared for the 9:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

### U&05: 1. Purpose and reading note

Q&45: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

11Q701:

| Team           | On-call staff | Next check-in |
|----------------|---------------|---------------|
| Roads          | 10            | 09:30         |
| Parks          | 5             | 10:15         |
| Communications | 7             | 11:00         |

3p03: The morning desk received 48 messages, including 7 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

### 6v26: 2. Topic and conditions update

g-687F: Several field notes refer to cruz, looking, and house. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

S02: A liaison asked whether the weather-sensitive update should be issued before 14:00. The answer depends on a later policy decision. The note was retained for the next review.

E&32: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

D37: The support team has received related comments about cruz, looking, and house; some mention weather conditions and others concern routine service access. The note was retained for the next review.

### 051: 3. Related observations and service notes

T&46: The support desk has received several comments related to cruz, looking, and house. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

A&31: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

7891: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

### 90/M0: 3.1 Coordination and records

X&63: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

A34: Record 58-220. The file preserves the following case entry. When Carlos looks after his niece, he brings out different games for her. The box of puzzles contains  $(32 + 40)$  pieces. The basket of dolls has 36 dolls inside. The rack of toy cars holds 22 cars on it. Carlos recently purchased a set of marbles, making the total count of toys for his niece reach 153. How many marbles are in the set? The entry was retained with the case materials for review.

### 31I971: 4. Facilities and meeting logistics

8o88: The east meeting room is reserved for 12 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |
| Route update     | Roads          | 15:30    |
