Team	On-call staff	Next check-in
Roads	14	09:30
Parks	9	10:15
Communications	6	11:00

17F737: The morning desk received 47 messages, including 7 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

B#34: 2. Topic and conditions update

2423: Several field notes refer to disease, carried, and carriers. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

W593: A liaison asked whether the weather-sensitive update should be issued before 18:00. The answer depends on a later policy decision. The note was retained for the next review.

h-609G: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

R71-E80: Record 77-510. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 39 items in the first review and $(8 + 13)$ in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

K#00: The support team has received related comments about disease, carried, and carriers; some mention weather conditions and others concern routine service access. The note was retained for the next review.

v-259P: 3. Related observations and service notes

R&26: The support desk has received several comments related to disease, carried, and carriers. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

47/T7: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

I-536Y: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

74/V4: 3.1 Coordination and records

Q504: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

S&00: 4. Facilities and meeting logistics

n-726T: The east meeting room is reserved for 20 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

r-876S: 5. Questions for the coordination call

R07

Section	Details	
Reference note	Should a second status call be added this afternoon? Can the public information desk continue with its current staffing? Follow-up note	These are policy and operational questions. The note was retained for the next review.

3y43: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

67H417: The monitoring log contains 19 references to disease and carried, alongside routine status updates. Can all 19 references be reviewed before the 16:00 check-in? The review lead will decide on the next step after checking the files.

D&Q7: A liaison also received 12 requests mentioning disease and carried. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

20/L0: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

6267: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

70T760: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

2423C: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates and operational questions are included in several sections. The document-management team will keep the full set together.

19/T9: A progress log contains 27 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning disease and carried, what final value is required? Could the item be closed before the 13:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains entries associated. The file logged 14 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

6162: The planning desk grouped 24 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning disease and carried, what final value is required? Would a further review call before 11:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 12 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates
