

## Quantitative Case File

Q#67: Regional Operations Brief — prepared for the 9:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

### D#38: 1. Purpose and reading note

24G254: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

5p25:

| Team           | On-call staff | Next check-in |
|----------------|---------------|---------------|
| Roads          | 11            | 09:30         |
| Parks          | 9             | 10:15         |
| Communications | 10            | 11:00         |

I#84: The morning desk received 51 messages, including 3 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

27/K7: The support team has received related comments about difference, between, and total; some mention weather conditions and others concern routine service access. The note was retained for the next review.

### 92/H2: 2. Topic and conditions update

43/A3: Several field notes refer to difference, between, and total. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

T&01: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

RDC-D3D: Record FE-201. The file preserves the following case entry. In a separate final and value and required record, Mrs logged (19 + 23) items in one category and 11 in another. What is the difference between the two counts? The entry was retained with the case materials for review.

D21: Record E4-516. The file preserves the following case entry. A landscaper is designing a garden path that is (95 + 100) meters long and needs to be covered with stones. The stones are 4 meters wide and need to be spaced 15.0 meters apart. The landscaper already has 12 stones in stock. If each stone costs €14, how much will the landscaper spend to cover the entire path? The entry was retained with the case materials for review.

R#88: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

2y82: Record 5B-955. The file preserves the following case entry. Tom was preparing for a party at his house and needed glasses, so he bought a new package of glasses. Later, his wife also bought a package of 19 new glasses and gave them to Tom. While Tom was arranging the furniture, he used seven of the glasses to hold some flowers. Later, when he went to set the table, he had a total of (11 + 19) glasses. How many glasses were in the package that Tom bought? The entry was retained with the case materials for review.

### U83: 3. Related observations and service notes

R13-852: Record F9-269. The file preserves the following case entry. In a separate final and value and required record, Mrs logged (7 + 18) items in one category and 17 in another. What is the difference between the two counts? The entry was retained with the case materials for review.

S&71: Record BB-625. The file preserves the following case entry. Priya gets 150 messages every day. 32% of these messages are spam and she deletes them immediately. She replies to the rest during her 6-day work week. How many messages does Priya reply to in total over those the count in days from Dec. 28 (this year) up to Jan. 3 (next year)? The entry was retained with the case materials for review.

Y&64: The support desk has received several comments related to difference, between, and total. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

4h94: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

1494: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

### O#01: 3.1 Coordination and records

I#91: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference. The note was retained for the next review. The note was retained for the next review. ### 7z37: 4. Facilities and meeting logistics

Q&20: The east meeting room is reserved for 16 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

Y&96:

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |
| Route update     | Roads          | 15:30    |
| Venue access     | Facilities     | 14:00    |

I-831L: Record 72-854. The file preserves the following case entry. City High School is hosting its commencement ceremony in the Auditorium this year, which can accommodate 7400 guests. If 700 seats are reserved for the graduating class and 400 seats are allocated for the teaching staff, how many tickets will be available for each graduate to distribute among their loved ones if distributed evenly? The entry was retained with the case materials for review.

### W#26: 5. Questions for the coordination call

82X712: Record A7-502. The file preserves the following case entry. Carlos visits the market to purchase some flour. The usual brand he buys costs £20 per kg, but since it was unavailable, he opts for a premium brand that is 30% pricier. Planning for a week, he uses  $(1 + 1)$  kg of flour daily. Additionally, he treats himself to a pastry costing £2. What is the total cost of his purchases? The entry was retained with the case materials for review.

31/K1: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

Z88: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

37/Q7: The monitoring log contains 12 references to difference and between, alongside routine status updates. Can all 12 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

60Z000: A liaison also received 7 requests mentioning difference and between. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

R&88: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

K#88: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

17/Y7: Record 6D-498. The file preserves the following case entry. Arjun visited a garden and noticed there were five-sixths as many butterflies as dragonflies. If there were  $(33 + 39)$  dragonflies, calculate the total number of insects in the garden. The entry was retained with the case materials for review.

1u31: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

84Q024: Record 92-876. The file preserves the following case entry. What is the difference in cost between 3 loaves of bread that cost \$2 each and (1 + 1) bagels that cost \$1 each? The entry was retained with the case materials for review.

05Z5: Record 85-638. The file preserves the following case entry. A bridge is made out of (2 + 2) steel beams, twice as many wooden beams, and an unknown number of iron beams. If there are 32 beams in the bridge in total, how many iron beams are there? The entry was retained with the case materials for review.

U&84: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference.
