i-578J: Record C2-970. The file preserves the following case entry. If Alex and Ryan have $(46 + 54)$ meters of wire between them, and they agree to split it with Ryan getting 60 meters more than Alex, how much is left over for Alex? The entry was retained with the case materials for review.

P#48: The morning desk received 32 messages, including 5 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

73C993: 2. Topic and conditions update

9#49: Record CF-180. The file preserves the following case entry. A student takes $(2 + 4)$ morning classes and 4 afternoon classes each day, with each class lasting the minutes separating 23:43 from 00:43. He attends classes the number of days from this year's Dec 30 to next year's Jan 4 a week, but on weekends (Saturday and Sunday), he spends twice as much time as he does on a weekday divided equally between the however many days separate 12/30 this year and 1/1 next year. How many hours per week does he spend in class? The entry was retained with the case materials for review.

R6C-D75: Record 71-300. The file preserves the following case entry. In a separate about and final and value record, Vera counted 47 items in the first review and $(10 + 17)$ in the second review. How many items did Vera count altogether? The entry was retained with the case materials for review.

th41: Several field notes refer to final, value, and maria. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

p-322T: The support team has received related comments about final, value, and maria; some mention weather conditions and others concern routine service access. The note was retained for the next review.

V&32: Allison asked whether the weather-sensitive update should be issued before 18:00. The answer depends on a later policy decision. The note was retained for the next review.

2c72: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

1581: 3. Related observations and service notes

w-718L: The support desk has received several comments related to final, value, and maria. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next

review.

U#55: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

y-374D: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

I-632I: 3.1 Coordination and records

8g28: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

71K951: 4. Facilities and meeting logistics

692: The east meeting room is reserved for 18 attendees, with 4 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.
