If a hotel has $(78 + 82)$ rooms and 8 housekeepers who each work 10-hour shifts, and it takes each housekeeper the number of minutes from 11.45 p.m. to 12.00 a.m. to clean a room, what percentage of their workday does each housekeeper spend cleaning rooms? The entry was retained with the case materials for review.

01/T1: For the current case, the coordination office assembled 51 background notes concerning according, the, brief, quantitative, scenario. The notes document questions raised by different participants and preserve the times at which they were received. One follow-up asks if the requested result should be discussed at 10:00, while staff prepare the next review. The file remains open while staff check the original observations. A later memo will summarize which issues were resolved.

F82: A liaison maintained 63 reference points for the discussion of according, the, brief, quantitative, scenario. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 14:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

R&57: The review panel added 40 items to a tracking sheet related to according, the, brief, quantitative, scenario. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether

the open question could be closed during the 10:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.

98/E8: The coordination office prepared a detailed briefing note about according, the, brief, quantitative, scenario. It logged 32 related references from prior updates and retained them in chronological order. The note was retained for the next review. Could the open item be reviewed before the 11:00 checkpoint? The coordinator will attach source material after the remaining references are verified.

T25: A working summary for according, the, brief, quantitative, scenario was circulated among the review panel. The summary lists 41 observations, dates, and follow-up comments that may be relevant to later discussion. The note was retained for the next review. Staff were asked to preserve the wording of each observation. A subsequent update will identify which materials require a formal response.

5j85: The planning group recorded 54 status entries connected with according, the, brief, quantitative, scenario. Several entries mention quantities, schedules, or prior decisions, but they were entered as separate administrative references. Could a reviewer settle the current request by 9:00? The note records the entries in the order received. The case owner will compare the status entries with the supporting materials during the next review.
