

Quantitative Case File

w-713A: Regional Operations Brief — prepared for the 11:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

1428: 1. Purpose and reading note

01/F1: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

R08-21F: Record 95-399. The file preserves the following case entry. In a separate about and taffy and bills record, Taffy counted 40 items in the first review and $(10 + 14)$ in the second review. How many items did Taffy count altogether? The entry was retained with the case materials for review.

f-844W:

Team	On-call staff	Next check-in
Roads	6	09:30
Parks	7	10:15
Communications	6	11:00

z-288V: The morning desk received 40 messages, including 9 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

8f48: 2. Topic and conditions update

D58: Several field notes refer to taffy, bills, and goes. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

7e67: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference. Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

13S573: 5. Questions for the coordination call

e-218P: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

Q&15: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

M&94: The monitoring log contains 20 references to taffy and bills, alongside routine status updates. Can all 20 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

V#16: A liaison also received 12 requests mentioning taffy and bills. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

45S605: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference.
