Roads	9	09:30
Parks	7	10:15
Communications	8	11:00

25B805: Record E2-314. The file preserves the following case entry. What is the total cost of a $(20 + 31)$ -minute call, given that the first the number of minutes from 11:52pm to 12:07am cost \$0.6 per minute and any additional minutes cost \$0.5 per minute? The entry was retained with the case materials for review.

L#58: The morning desk received 42 messages, including 3 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

7500: Record 18-180. The file preserves the following case entry. Tom has three times as many Twitter followers as Rachel. Alex has four times as many followers on Twitter as Rachel. If Tom has $(3 + 9)$ followers on Twitter, how many Twitter followers does Alex have? The entry was retained with the case materials for review.

25O535: The support team has received related comments about total cost, and purchasing; some mention weather conditions and others concern routine service access. The note was retained for the next review.

82F392: Record E9-812. The file preserves the following case entry. Rohan was setting up for a dinner party at his house, where he planned to serve roasted chicken. He realized that he was out of paper plates, so he bought a new package of plates. Later, his wife also bought a package of $(3 + 7)$ new plates and gave them to Rohan. While Rohan was making the roasted chicken, he used eight of the plates to serve his sauces. Later, when he went to set the table, he had a total of 31 plates. How many plates were in the package that Rohan bought? The entry was retained with the case materials for review.

2440: 2. Topic and conditions update

2989: Several field notes refer to total cost, and purchasing. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

O09: Record 76-377. The file preserves the following case entry. Priya was hosting a dinner party and planned to serve pasta. She realized she had no clean spoons, so she purchased a new box of spoons. Later that day, her friend also bought a pack of 10 spoons for Priya. While cooking, Priya used eight spoons to taste the pasta sauce. When it was time to set the table, she counted $(13 + 18)$ spoons in total. How many spoons were in the box that Priya bought? The entry was retained with the case materials for review.

D45: A liaison asked whether the weather-sensitive update should be issued before 18:00. The answer depends on a later policy decision. The note was retained for the next review.

6361: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the

responsible team.

Y#72: 5. Questions for the coordination call

6J46: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

49R639: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

45W505: The monitoring log contains 12 references to total and cost, alongside routine status updates. Can all 12 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

15/G5: A liaison also received 4 requests mentioning total and cost. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

H#84: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

L42: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

F#17: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

R7E-0CC: Record 50-120. The file preserves the following case entry. In a separate final and value and required record, Mrs reviewed (35 + 45) entries and marked 24 of them for follow-up. What percentage of the entries did Mrs mark for follow-up? The entry was retained with the case materials for review.

e-190K: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

91L781: A progress log contains 36 entries associated with the current case. At the review, the open item was restated as: According to the brief's case material concerning total and cost, what final value is required? Could the item be closed before the 10:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 12 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

2291: The planning desk grouped 25 follow-up notes under the same request. One note asks: According to the brief's case material concerning total and cost, what final value is required? Would a further review call before 14:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 25 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

v-272X: A coordinator marked 11 status updates for later attention. The accompanying prompt reads: According to the brief's case material concerning total and cost, what final value is required? Can the requested outcome be confirmed during the 15:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. It logged 33 related references from prior updates and retained them in chronological order. The note was retained for the next review. Could the open item be reviewed before the 17:00 checkpoint? The coordinator will attach source material after the remaining references are verified.

3723: A working summary for according, the, brief, quantitative, scenario was circulated among the planning group. The summary lists 29 observations, dates, and follow-up comments that may be relevant to later discussion. The note was retained for the next review. Staff were asked to preserve the wording of each observation. A subsequent update will identify which materials require a formal response.

61/W1: The coordination office recorded 36 status entries connected with according, the, brief, quantitative, scenario. Several entries mention quantities, schedules, or prior decisions, but they were entered as separate administrative references. Could a reviewer settle the current request by 11:00? The note records the entries in the order received. The case owner will compare the status entries with the supporting materials during the next review.

G&49: For the current case, the review panel assembled 62 background notes concerning according, the, brief, quantitative, scenario. The notes document questions raised by different participants and preserve the times at which they were received. One follow-up asks if the requested result should be discussed at 17:00, while staff prepare the next review. The file remains open while staff check the original observations. A later memo will summarize which issues were resolved.

I-664S: A liaison maintained 54 reference points for the discussion of according, the, brief, quantitative, scenario. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 14:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

g-294H: The planning group added 40 items to a tracking sheet related to according, the, brief, quantitative, scenario. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether the open question could be closed during the 9:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.
