|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reference note | Several field notes refer to Rachel, Went, and Beach. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record. |

28/P8: A liaison asked whether the weather-sensitive update should be issued before 14:00. The answer depends on a later policy decision. The note was retained for the next review.

4529: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

E#99: The support team has received related comments about Rachel, Went, and Beach; some mention weather conditions and others concern routine service access. The note was retained for the next review.

### 3310: 3. Related observations and service notes

I-830E: The support desk has received several comments related to Rachel, Went, and Beach. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

4r34: Record AC-201. The file preserves the following case entry. George went to the store with \$5.00. He bought  $(1 + 2)$  bags of chips that cost \$0.40 each and spent the rest of his money on candy bars that cost \$0.75 each. If he got \$0.05 in change, how many candy bars did George buy? The entry was retained with the case materials for review.

6603: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

I07: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

### 5627: 3.1 Coordination and records

V&65: Record F1-613. The file preserves the following case entry. Mateo went to a store with \$12.00 and received a 6% discount on his total purchase. He bought popcorn for \$0.75 each and spent the rest of his money on cookies priced at \$1.25 each. If he bought (3 + 6) popcorns, how many cookies did Mateo buy? The entry was retained with the case materials for review.

J&38: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference.
