182: Record AF-219. The file preserves the following case entry. Carlos harvested 4 pumpkins last weekend, with the first pumpkin weighing 70 kilograms, the second weighing 33 kilograms, and the last one weighing (11 + 21) kilograms. If a kilogram of pumpkin sells for €1.0, how much will he earn after selling all the pumpkins at the market? The entry was retained with the case materials for review.

13/A3: A liaison maintained 43 reference points for the discussion of according, the, brief, quantitative, scenario. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 11:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

X&34: The review panel added 26 items to a tracking sheet related to according, the, brief, quantitative, scenario. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether the open question could be closed during the 9:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.
