Roads	14	09:30
Parks	6	10:15
Communications	9	11:00

34/S4: The morning desk received 50 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

I&59: 2. Topic and conditions update

O&44: Several field notes refer to farmer, buying, and bushels. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

313: A liaison asked whether the weather-sensitive update should be issued before 18:00. The answer depends on a later policy decision. The note was retained for the next review.

2113: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

RFA-A0C: Record BE-725. The file preserves the following case entry. In a separate about and farmer and buying record, the case owner counted 50 items in the first review and $(11 + 14)$ in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

7p07: Record 37-989. The file preserves the following case entry. If Leon has $(45 + 54)$ rows of pineapples with 90 pineapples in each row on his field and he can harvest his pineapples every 4 months, how many pineapples can he harvest per year? The entry was retained with the case materials for review.

8740: 3. Related observations and service notes

7001: The support team has received related comments about farmer, buying, and bushels; some mention weather conditions and others concern routine service access. The note was retained for the next review.

6543: Record 81-255. The file preserves the following case entry. Emily was hosting a birthday party and planned to serve pasta. She realized she had no plastic spoons, so she purchased a new pack of spoons. Later, her friend also bought a pack of 18 new spoons for Emily. While cooking the pasta, Emily used five of the spoons to taste-test her dish. When it was time to set the table, she counted a total of $(9 + 20)$ spoons. How many spoons were in the package that Emily bought? The

entry was retained with the case materials for review.

2h32: The support desk has received several comments related to farmer, buying, and bushels. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

9m09: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

9q69: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

32/Z2: 3.1 Coordination and records

M72: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

95/E5: 4. Facilities and meeting logistics

9c19: The east meeting room is reserved for 21 attendees, with 3 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

3/29

Item	Owner	Due time
Attendance notes	Secretariat	17:00
Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

4269: 5. Questions for the coordination call

73/00: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

YW90: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

6974: The monitoring log contains 25 references to farmer and buying, alongside routine status updates. Can all 25 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

y-250M: A liaison also received 6 requests mentioning farmer and buying. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

R2B-E89: Record 12-370. The file preserves the following case entry. In a separate about and farmer and buying record, the case owner counted (18 + 20) items in the first review and 29 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

64/X4: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.
