32/N2: Record 4D-434. The file preserves the following case entry. A university has a total of 8000 parking seats available for students, faculty, and graduates. There are 950 graduate students and 300 faculty members who require parking. If the remaining seats are to be allocated equally among 950 undergraduate students who require parking, how many parking tickets can be allocated to each undergraduate student? The entry was retained with the case materials for review.

JW97: The morning desk received 41 messages, including 7 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

i-602U: 2. Topic and conditions update

5307: Several field notes refer to sold, property, and transfer. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

49X279: Record CB-174. The file preserves the following case entry. Mr. Ellison sold his property for \$4,001,717. The transfer fee is 3% of the selling price and the brokerage fee is 5% of the selling price. Given that he has an outstanding loan of \$2,500,000 to pay off from the sale proceeds, determine how much will Mr. Ellison receive after paying all fees and clearing his loan. The entry was retained with the case materials for review.

s-486S: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

B66: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

q-631X: The support team has received related comments about sold, property, and transfer; some mention weather conditions and others concern routine service access. The note was retained for the next review. 6650: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

R&89: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review. A related note in the file stated: Ellison receive after paying all fees and clearing his loan.

q-5310: Record D0-606. The file preserves the following case entry. A family consists of a mother who eats $(2 + 4)$ slices of pizza per day, a father who eats 3 slices per day, and their daughter who eats 6 slices per day. How many slices of pizza does the family eat in one week? The entry was retained with the case materials for review.

R#56: 3.1 Coordination and records

O&79: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

5322: 4. Facilities and meeting logistics

31/K1: The east meeting room is reserved for 12 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.
