

Quantitative Case File

W93: Regional Operations Brief — prepared for the 6:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

39U419: 1. Purpose and reading note

G#11: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

RFA-165: Record 9E-570. The file preserves the following case entry. In a separate final and value and required record, Marcus recorded $(2 + 2)$ supplies at \$10 each. How much was recorded for those supplies altogether? The entry was retained with the case materials for review.

7.300:

Team	On-call staff	Next check-in
Roads	8	09:30
Parks	6	10:15
Communications	8	11:00

75/H5: The support team has received related comments about Liam, twenty-franc, and notes. Some mention weather conditions and others concern routine service access. The note was retained for the next review.

38/WB: Record 4A-849. The file preserves the following case entry. Mateo went to a store with \$1200. At the checkout, he got a 6% discount. He bought some popcorn for \$0.75 each in quantity of $(2 + 7)$ and the rest of his money was spent on cookies costing \$1.25 each. How many cookies did Mateo buy? The entry was retained with the case materials for review.

L02: The morning desk received 21 messages, including 2 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

D&70: 2. Topic and conditions update

Z#89: Several field notes refer to Liam, twenty-franc, and notes. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

81V211: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

91/F1: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

R0F-322: Record D6-429. The file preserves the following case entry. In a separate final and value and required record, Marcus recorded $(2 + 3)$ supplies at \$4 each. How much was recorded for those supplies altogether? The entry was retained with the case materials for review.

C#80: 3. Related observations and service notes

Y#67: The support desk has received several comments related to Liam, twenty-franc, and notes. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

R#64: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

6w3B: Record C0-402. The file preserves the following case entry. A chef cut a pizza into 30 slices. He served himself 4 slices, his head waiter ate $(2 + 4)$ more slices than him, and a customer ate 4 more slices than the head waiter. How many slices of pizza were eaten? The entry was retained with the case materials for review.

b-707N: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

M82: 3.1 Coordination and records

R851: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

d-336S: 4. Facilities and meeting logistics

74W794: The east meeting room is reserved for 14 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

72/W2: Record 3B-786. The file preserves the following case entry. Luca went to a hardware store in Switzerland with \$74.22. He bought (7 + 10) washers, each costing \$0.66. How many Swiss francs does Luca have left after his purchase? Provide your answer as an integer without the currency symbol. The entry was retained with the case materials for review.

88/W8: 5. Questions for the coordination call

1q11: Record A3-618. The file preserves the following case entry. Rashmi needs to choose between handling her company's accounts or employing an accountant. If she handles the accounts herself, she will have (2 + 5) hours less for client work, resulting in a loss of \$42/hour. The accountant charges \$78. How much more money will Rashmi have if she employs the accountant? The entry was retained with the case materials for review.

26Q106: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

P#18: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

R8C-DBB: Record BB-348. The file preserves the following case entry. In a separate final and value and required record, Marcus recorded (3 + 6) supplies at \$4 each. How much was recorded for those supplies altogether? The entry was retained with the case materials for review.

o-223N: The monitoring log contains 26 references to Marcus and twenty-franc, alongside routine status updates. Can all 26 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

u-361S: A liaison also received 12 requests mentioning Marcus and twenty-franc. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

7B7: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

P#59: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.
