Team	On-call staff	Next check-in
Roads	8	09:30
Parks	9	10:15
Communications	11	11:00

04/S4: The morning desk received 31 messages, including 7 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

T&01: 2. Topic and conditions update

Q#24: Record 5F-172. The file preserves the following case entry. The school play team prepared 200 balloons. The Santos siblings each popped 11 balloons. All the other balloons except $(4 + 8)$ were popped by their classmates. How many balloons did the classmates pop? The entry was retained with the case materials for review.

J&39: Several field notes refer to musician, play, and instruments. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

E&92: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

1411: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

28/E8: Record 70-971. The file preserves the following case entry. Wei caught $(2 + 2)$ trout and sells them at the market. For the first trout, he gets €1.0 for each of its 70 centimeters; for the second, €1.0 per centimeter for its 33 centimeters; and for each of the remaining two trout, he gets €1.0 per centimeter for their 32 centimeters each. How much money does Wei earn in total from selling all four trouts? The entry was retained with the case materials for review.

C#65: The support team has received related comments about musician, play, and instruments; some mention weather conditions and others concern routine service access. The note was retained for the next review.

B&33: 3. Related observations and service notes

q-357Z: Record E7-650. The file preserves the following case entry. Mia writes all the 26 alphabets a certain number of times, then writes half of the 26 alphabets, and finally rewrites everything she has written so far. How many letters has Mia written in total if she wrote all $(8 + 18)$ alphabets 10 times? The entry was retained with the case materials for review.

W#83: The support desk has received several comments related to musician, play, and instruments. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

4f44: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

27R417: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

7814: 3.1 Coordination and records

57D117: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

J#02: 4. Facilities and meeting logistics

J#69: Record A9-306. The file preserves the following case entry. If Ananya earns £23 per hour and it takes her (2 + 6) hours to complete her taxes, how much money does she save by hiring a tax consultant who charges £120 for the same task instead of doing it herself? The entry was retained with the case materials for review.

5162: The east meeting room is reserved for 14 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.
