|----------------|---------------|---------------|
| Roads          | 14            | 09:30         |
| Parks          | 8             | 10:15         |
| Communications | 8             | 11:00         |

897: The morning desk received 21 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

### C#48: 2. Topic and conditions update

34H514: Several field notes refer to many, hours, and week. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

B#32: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

k-161B: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

### 66O436: 3. Related observations and service notes

1-283N: The support team has received related comments about many, hours, and week; some mention weather conditions and others concern routine service access. The note was retained for the next review.

I#21: The support desk has received several comments related to many, hours, and week. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

8b48: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

7j47: For record keeping, the incident log uses observation, service, question, and planning scenario as separate labels. The note was retained for the next review.

### G&84: 3.1 Coordination and records

W58: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

883: Record BB-760. The file preserves the following case entry. A person has  $(6 + 13)$  hours of TV to watch for the week, and he watches 4 hours each on Sunday and Monday, then 4 and  $3/4$  hours on Wednesday, and 6 hours on Thursday, with the remaining time spent watching episodes that are each however many minutes separate 11.52pm and 12.07am long on Tuesday; how many episodes did he watch on Tuesday?
