I-447Q: 2. Topic and conditions update

M#20: Several field notes refer to zookeeper, purchasing, and food. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

A98: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

Q#00: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

w-502N:

Section	Details
Reference note	The support team has received related comments about zookeeper, purchasing, and food; some mention weather conditions and others concern routine service access. The note was retained for the next review.

V&09: 3. Related observations and service notes

B&66: Record 07-656. The file preserves the following case entry. Kaito is preparing for his art project. He purchased (5 + 13) paintbrushes that cost ¥5.5 each, 8 canvases that cost ¥16.25 each, and a pack of paints that cost ¥24. How much did Kaito spend on his art supplies? The entry was retained with the case materials for review.

33N663: The support desk has received several comments related to zookeeper, purchasing, and food. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

2o42: Record 94-382. The file preserves the following case entry. If three friends eat 6 tacos for breakfast, $(1 + 2)$ tacos for lunch, and 6 tacos for dinner every day, how many tacos do they eat in a week? The entry was retained with the case materials for review.

G843: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

74/D4: Record EA-140. The file preserves the following case entry. Alice collects 4 apples on Monday. Then she collects $(2 + 4)$ apples on Tuesday. On Wednesday, she collects triple the number of apples she did on Monday. How many apples does Alice have? The entry was retained with the case materials for review.

E814: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

P71: 3.1 Coordination and records

7107: Record BD-626. The file preserves the following case entry. Pavel has 94 rows of orange trees on his field with 30 trees in each row. If Pavel can harvest all the trees in his field in $(4 + 8)$ months, and it takes him 12 months to harvest the entire field once, how many oranges can he harvest per year if each tree produces one orange? The entry was retained with the case materials for review.

719: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

62K912: 4. Facilities and meeting logistics

F847: The east meeting room is reserved for 19 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

A later memo will summarize which issues were resolved.

B#47: Record 57-844. The file preserves the following case entry. Lily has $(2 + 7)$ containers of icing in her pantry. Each container of icing can frost 11 cakes. Lily wants to bake enough cakes to use up all of her icing. If each oven tray holds 11 cakes, how many trays worth of cakes should she bake? The entry was retained with the case materials for review.

49W049: A liaison maintained 51 reference points for the discussion of for, this, revised, scenario, according. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 14:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

R5A-792: Record BA-777. The file preserves the following case entry. In a separate final and value and required record, the case owner counted $(8 + 12)$ items in the first review and 12 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

88/L6: The coordination office added 46 items to a tracking sheet related to for, this, revised, scenario, according. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether the open question could be closed during the 13:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.

Z#42: Record EA-871. The file preserves the following case entry. A zookeeper is purchasing food for her giraffes. She buys a mix of oats, peas, pumpkins, and barley. Because barley is a special treat, she purchases only four 6-kg boxes of it for all the enclosures. She wants just enough pumpkins to last while they're fresh, so she buys fifteen 8-kg bags. Oats are the main food source for her giraffes, so she gets thirty two 1540-kg packs. Peas are used as an extra supplement with the oats, so she buys twenty $(8 + 11)$ -kg sacks. Given that her delivery van can carry up to 190 kgs per trip, how many trips does she need to make to deliver all the food? The entry was retained with the case materials for review.

54N584: The operations desk prepared a detailed briefing note about for, this, revised, scenario, according. It logged 54 related references from prior updates and retained them in chronological order. The note was retained for

the next review. Could the open item be reviewed before the 9:00 checkpoint? The coordinator will attach source material after the remaining references are verified.

WW21: A working summary for for, this, revised, scenario, according was circulated among the operations desk. The summary lists 51 observations, dates, and follow-up comments that may be relevant to later discussion. The note was retained for the next review. Staff were asked to preserve the wording of each observation. A subsequent update will identify which materials require a formal response.

8g88: The review panel recorded 30 status entries connected with for, this, revised, scenario, according. Several entries mention quantities, schedules, or prior decisions, but they were entered as separate administrative references. Could a reviewer settle the current request by 13:00? The note records the entries in the order received. The case owner will compare the status entries with the supporting materials during the next review.

1r91: Record 37-658. The file preserves the following case entry. Tom has 4 boxes of red crayons and $(1 + 2)$ boxes of green crayons. Alex has half as many boxes of red crayons as Tom, and three times as many boxes of green crayons as Tom. How many boxes of crayons does Alex have? The entry was retained with the case materials for review.
