Roads	9	09:30
Parks	4	10:15
Communications	5	11:00

M&20: The support team has received related comments about sold, flat, and paid; some mention weather conditions and others concern routine service access. The note was retained for the next review.

2217: Record 06-667. The file preserves the following case entry. Tom was preparing for a party at his house and needed glasses, so he bought a new package of glasses. Later, his wife also bought a package of 19 new glasses and gave them to Tom. While Tom was arranging the furniture, he used seven of the glasses to hold some flowers. Later, when he went to set the table, he had a total of $(12 + 16)$ glasses. How many glasses were in the package that Tom bought? The entry was retained with the case materials for review.

b-133D: The morning desk received 25 messages, including 2 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

4771: 2. Topic and conditions update

45/25: Several field notes refer to sold, flat, and paid. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

E&73: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference. M&13: Field reminders. 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

3z73: 3. Related observations and service notes

01/N1: Record F2-992. The file preserves the following case entry. The toy store had $(89 + 91)$ boxes of toys. The Martinez twins each sold 43 boxes. All the other boxes except 17 were sold by their colleagues. How many boxes did the colleagues sell? The entry was retained with the case materials for review.

8v28: The support desk has received several comments related to sold, flat, and paid. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

6316: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was

retained for the next review.

9u79: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

Z#33: 3.1 Coordination and records

S#70: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

2e62: 4. Facilities and meeting logistics

4857: The east meeting room is reserved for 22 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.
