

Quantitative Case File

n-290C: Regional Operations Brief — prepared for the 9:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

5z15: Record A4-654. The file preserves the following case entry. Yara has $(4 + 6)$ plants in her flower bed and the bed is 201 feet long. If she wants to plant flowers that take up 18.75 feet each and cost €3 per plant, how much will she spend on the additional plants needed? The entry was retained with the case materials for review.

8i38: 1. Purpose and reading note

r-920Q: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

1-501X

Team	On-call staff	Next check-in
Roads	6	09:30
Parks	7	10:15
Communications	7	11:00

15R145: The morning desk received 41 messages, including 7 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

c-923U: 2. Topic and conditions update

H#16: Several field notes refer to john, buys, and shares. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

4c14: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

70B540: Record 03-324. The file preserves the following case entry. Lily owns 9 packs of blue markers and $(3 + 8)$ packs of green markers. Maria has four-sixths as many packs of blue markers as Lily, and twice as many packs of green markers as Lily. How many packs of markers does Maria have? The entry was retained with the case materials for review.

50G590: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

1B/26: The support team has received related comments about john, buys, and shares; some mention weather conditions and others concern routine service access. The note was retained for the next review.

41/T1: 3. Related observations and service notes

r-692X: The support desk has received several comments related to john, buys, and shares. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

V#24: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

C#02: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

7m97: 3.1 Coordination and records

W93: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

4967: Record 51-518: The file preserves the following case entry. Ramesh is deciding whether to repair his bike himself or hire a mechanic. If he does it himself, he'll save \$120 but will have to spend $(3 + 5)$ more hours on it, losing \$23/hour of

potential tutoring income. How much more money will he have if he hires the mechanic? The entry was retained with the case materials for review.

11Y391: 4. Facilities and meeting logistics

B&73: The east meeting room is reserved for 13 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

S&79:

Item	Owner	Due time
Attendance notes	Secretariat	17:00
Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

51Y401: 5. Questions for the coordination call

74X254: Should a second status call be added this afternoon? Can the public information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review. 2740: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

12J862: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

B&09: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

b-329C: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

4834: Record E4-493. The file preserves the following case entry. If a man normally buys tea at \$20 per kilogram, but this week he bought a different type that was 10% more expensive per kilogram and he consumes 1 kilogram of tea each day for a week, how much did he spend in total on the tea if there was an additional \$2 charge on his bill? The entry was retained with the case materials for review.

2v02: Record 3A-357. The file preserves the following case entry. Emily listens to music after she finishes her chores every night. On Monday and Tuesday, she listened to a 1-hour playlist each night. On Wednesday, she listened to a few playlists of a 30-minute duration. On Thursday, she finished chores early and listened to a 1-hour playlist and a (13 + 17)-minute

playlist. On Friday, she got to stay up late for the weekend, so she listened to two 1-hour playlists. If she listened to 7 hours of music in all, how many 30-minute playlists did she listen to on Wednesday? The entry was retained with the case materials for review.

80B390: A progress log contains 22 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Colin and buys. Could the item be closed before the 13:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 12 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

q-380Q: Record 1D-316. The file preserves the following case entry. James collects 290 apples on Monday. On Tuesday, he gathers 389 apples. By Wednesday, he manages to collect twice the number of apples as he did on Monday. How many apples does James have in total? The entry was retained with the case materials for review.

C&56: Record DE-873. The file preserves the following case entry. A man normally buys coffee at \$5 per pound. This week he bought a different kind of coffee that costs 20% more per pound and also had a \$2 delivery fee. If he goes through 1 pound of coffee per day, how much did his weekly coffee cost? The entry was retained with the case materials for review.

5492: The planning desk grouped 20 follow-up notes under the same request. One note asks: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Colin and buys. Would a further review call before 12:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 13 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

F&72: A coordinator marked 26 status updates for later attention. The accompanying prompt reads: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Colin and buys. Can the requested outcome be confirmed during the 16:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 15 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

G83: The case tracker lists 27 pending references for the briefing. Its next action item repeats: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Colin and buys. Should the team settle the item before the 16:00 meeting? Supporting materials were archived with the case file. A supplementary review continued to discuss case, tracker, lists, pending. The file logged 17 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up.
