Roads	8	09:30
Parks	9	10:15
Communications	11	11:00

n-416T: The morning desk received 45 messages, including 9 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review. A related note in the file stated: Reid is selling tulips at €3.24 each, orchids at €3.57 each, and roses at €6.4 each at a flower stand.

92/Y2: 2. Topic and conditions update

48J128:

Section	Details
Reference note	Several field notes refer to arash, selling, and tulips. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

R#41: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

813: Record 59-824. The file preserves the following case entry. What is the total number of sandwiches eaten by three people in a week, if one person eats 5 sandwiches, the second person eats $(2 + 2)$ sandwiches, and the third person eats 2 sandwiches in the day interval marked by Dec. 31 (this year) and Jan. 1 (next year)? The entry was retained with the case materials for review.

17D777: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

M#10: 3. Related observations and service notes

H72: Record E5-636. The file preserves the following case entry. Rashmi needs to choose between handling her company's accounts or employing an accountant. If she handles the accounts herself, she will have $(2 + 5)$ hours less for client work, resulting in a loss of \$42/hour. The accountant charges \$78. How much more money will Rashmi have if she employs the accountant? The entry was retained with the case materials for review.

2p82: The support desk has received several comments related to arash, selling, and tulips. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

86D276: Record 42-10f. The file preserves the following case entry. A crafts shop has $(18 + 29)$ small white balls of yarn, 73 large white balls of yarn, 32 small grey balls of yarn, and 88 large grey balls of yarn. What percent of the balls of yarn are white? The entry was retained with the case materials for review.

43/I3: The support team has received related comments about arash, selling, and tulips; some mention weather conditions and others concern routine service access. The note was retained for the next review.

E76: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review. S#93: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

T20: 3.1 Coordination and records

01/G1: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

01/J1: 4. Facilities and meeting logistics

Y#04: The east meeting room is reserved for 18 attendees, with 4 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

U&07:

Item	Owner	Due time
Attendance notes	Secretariat	17:00
Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

67R647: 5. Questions for the coordination call

n-962Y: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

N&43: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

37/K7: The monitoring log contains 21 references to Reid and selling, alongside routine status updates. Can all 21 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

J-321D: A liaison also received 7 requests mentioning Reid and selling. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

U&39: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

Y#67: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

a-365A: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

M54: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

H#32: A progress log contains 18 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Reid and

selling. Could the item be closed before the 12:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 22 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

52/M2: The planning desk grouped 18 follow-up notes under the same request. One note asks: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Reid and selling. Would a further review call before 14:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 34 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
