Parks	8	10:15
Communications	7	11:00

Sc25: Record E0-112. The file preserves the following case entry. Carlos placed $(2 + 7)$ dozen candies around the park for a scavenger hunt. Maria collects 7 candies. Leo gathers three times as many as Maria. Sara picks up 1 fewer than Leo, and Ethan finds half as many as Sara. How many candies remain hidden in the park? The entry was retained with the case materials for review.

B#63: The morning desk received 34 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

G#91: Record FF-191. The file preserves the following case entry. Tahir has a garden that is 144 yards long. Tahir wants to fill his garden with shrubs. Tahir's shrubs grow 7 yards wide so he needs to leave 12.0 yards between every shrub. Tahir already owns $(4 + 6)$ shrubs. Each shrub costs \$5 at the store. How much money will Tahir spend at the store to fill up his garden? The entry was retained with the case materials for review.

m-923K: 2. Topic and conditions update

6z96: Several field notes refer to oscar, selling, and flowers. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

R47-699: Record 2E-275. The file preserves the following case entry. In a separate final and value and required record, Oscar counted 30 items in the first review and $(11 + 18)$ in the second review. How many items did Oscar count altogether? The entry was retained with the case materials for review.

Q&85: A liaison asked whether the weather-sensitive update should be issued before 15:00. The answer depends on a later policy decision. The note was retained for the next review.

38/R8: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

33/F3: 3. Related observations and service notes

H48: The support team has received related comments about oscar, selling, and flowers; some mention weather conditions and others concern routine service access. The note was retained for the next review.

H93: Record 2B-230. The file preserves the following case entry. If three people eat 3, 5, and $(1 + 1)$ burritos respectively per day, how many burritos do they eat in total in a week? The entry was retained with the case materials for review.

S#96: The support desk has received several comments related to oscar, selling, and flowers. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

7652: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

KN29: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

98/O8: 3.1 Coordination and records

E82: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

W&73: 4. Facilities and meeting logistics

4172: The east meeting room is reserved for 15 attendees, with 3 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference. d-373P: 5. Questions for the coordination call

S#06: Record 5B-370. The file preserves the following case entry: A store sells stickers for (24 + 26) cents and pencils for 75 cents. Rashad spent \$1200 and received 6 packs of stickers and had 7% of his money left as change. How many pencils did he buy? The entry was retained with the case materials for review.

37D597: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

1-615D: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

95K585: The monitoring log contains 22 references to oscar and selling alongside routine status updates. Can all 22 references be reviewed before the 16:00 check-in? The review lead will decide on the next step after checking the files.

49K649: A liaison also received 5 requests mentioning oscar and selling. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

90A560: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

6s56: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

3004: Record 20-510. The file preserves the following case entry: A family consists of a father who drinks (2 + 3) cups of coffee per day, a mother who drinks 4 cups per day, and their daughter who drinks 2 cups per day. How many cups of coffee does this family consume in one week? The entry was retained with the case materials for review.

90/SQ: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

80/WQ: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

n-037Z: A progress log contains 26 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning oscar and selling, what final value is required? Could the item be closed before the 11:00 check-in? The detailed figures are maintained in a separate worksheet.

A supplementary review continued to discuss progress, contains, entries, associated. The file logged 25 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

69Y569: The planning desk grouped 37 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning oscar and selling, what final value is required? Would a further review call before 15:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 15 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

2744: A coordinator marked 19 status updates for later attention. The accompanying prompt reads: For this revised scenario, according to the brief's case material concerning oscar and selling, what final value is required? Can the requested outcome be confirmed during the 15:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 22 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

N02: The case tracker lists 31 pending references for the briefing. Its next action item repeats: For this revised scenario, according to the brief's case material concerning oscar and selling, what final value is required? Should the team settle the item before the 12:00 meeting? Supporting materials were archived with the case file. A supplementary review continued to discuss case tracker, lists, pending. The file logged 29 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

34/Y4: The operations desk prepared a detailed briefing note about for, this, revised, scenario, according. It logged 24 related references from prior updates and retained them in chronological order. The note was retained for the next review. Could the open item be reviewed before the 12:00 checkpoint? The coordinator will attach source material after the remaining references are verified.

21/N1: A working summary for for, this, revised, scenario, according was circulated among the coordination office. The summary lists 55 observations, dates, and follow-up comments that may be relevant to later discussion. The note was retained for the next review. Staff were asked to preserve the wording of each observation. A subsequent update will identify which materials require a formal response.
