Parks	4	10:15
Communications	9	11:00

89A279: Record 77-829. The file preserves the following case entry. George went to the store with \$5.00. He bought (1 + 2) bags of chips that cost \$0.40 each and spent the rest of his money on candy bars that cost \$0.75 each. If he got \$0.05 in change, how many candy bars did George buy? The entry was retained with the case materials for review.

3245: The morning desk received 50 messages, including 6 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

7s77: 2. Topic and conditions update

98N108: Several field notes refer to lila, selling, and apple. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

6338: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

1q51: The support team has received related comments about lila, selling, and apple: some mention weather conditions and others concern routine service access. The note was retained for the next review.

S#97: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

32/P2: 3. Related observations and service notes

W#46: The support desk has received several comments related to lila, selling, and apple. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

5764: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

4c94: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

9i29: 3.1 Coordination and records

R56-D75: Record 06-129. The file preserves the following case entry. In a separate concerning and stella and selling record, Stella counted 40 items in the first review and (10 + 12) in the second review. How many items did Stella count altogether? The entry was retained with the case materials for review.

01/D1: Record 5D-356. The file preserves the following case entry. A group of friends eats 7 pizzas for breakfast, 5 pizzas for lunch, and $(2 + 2)$ pizzas for dinner every day, how many pizzas do they eat in a week? The entry was retained with the case materials for review.

o-477D: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

M&91: 4. Facilities and meeting logistics

X&53: The east meeting room is reserved for 15 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

R#89: 5. Questions for the coordination call

964: Record B5-597. The file preserves the following case entry. Jamal bought $(9 + 15)$ notebooks at \$8.5 each and 10 markers at \$12.0 each. He also spent \$22 on other school supplies. How much did Jamal spend in total on the school supplies? The entry was retained with the case materials for review.

2958: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review. A related note in the file stated: On Tuesday, she sold 11 more boxes of apple pies than on Monday and 29 boxes of cherry pies.

58/Q8: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

6b36: The monitoring log contains 22 references to Stella and selling, alongside routine status updates. Can all 22 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

i-111: Record B7-991. The file preserves the following case entry. A pack of crackers contains 24 pieces. If Emma eats $(1 + 1)$ pieces a day while Liam eats twice as many, how many days will the pack of crackers last? The entry was retained with the case materials for review.

P#97: A liaison also received 6 requests mentioning Stella and selling. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

X#76: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

P28: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

s-264: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

6683: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

U&06: Record 45-424. The file preserves the following case entry. To send a package via express mail, you must pay \$0.25 for each pound of the package's weight up to 16 pounds, after which the price drops to \$0.2 per pound. How much would it cost to send a $(13 + 23)$ -pound package? The entry was retained with the case materials for review.

1922: Record 3D-156. The file preserves the following case entry. Stella is selling apple and cherry pies for a school event. On Monday, she sold 26 boxes of apple pies and 11 fewer boxes of cherry pies than on Tuesday. On Tuesday, she sold $(3 + 8)$ more boxes of apple pies than on Monday and 29 boxes of cherry pies. Suppose the apple pie costs $\square 10$ and the

cherry pie costs \$43, how much did Stella earn over however many days separate 12/31 this year and 1/2 next year? The entry was retained with the case materials for review.

R84-818: Record 1A-236. The file preserves the following case entry. In a separate concerning and stella and selling record, Stella counted (19 + 28) items in the first review and 14 in the second review. How many items did Stella count altogether? The entry was retained with the case materials for review.

92/K2: A liaison maintained 33 reference points for the discussion of for, this, revised, scenario, use. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 17:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

14W954: Record E2-154. The file preserves the following case entry. Maya went shopping and bought a t-shirt, shorts, sneakers, and socks. The t-shirt was priced at \$24. The shorts were \$10 more expensive than the t-shirt. She found sneakers originally priced at \$50 but got them for 1/5 of that price due to a sale. Additionally, she used a coupon that reduced the price of her socks from \$6 by \$4. What was the total cost of all the items Maya purchased? The entry was retained with the case materials for review.
