Roads	14	09:30
Parks	6	10:15
Communications	9	11:00

E97: The morning desk received 50 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

S&56: Record F2-505. The file preserves the following case entry. What is the total cost of a (24 + 27)-minute call, given that the first a duration in minutes equal to the gap between 11:54 pm and 12:09 am cost £0.6 per minute and any additional minutes cost £0.5 per minute? The entry was retained with the case materials for review.

M&30: 2. Topic and conditions update

I08: Several field notes refer to sold, property, and transfer. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

M&50: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

q-877J: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

10H590: 3. Related observations and service notes

G#38: The support team has received related comments about sold, property, and transfer; some mention weather conditions and others concern routine service access. The note was retained for the next review.

A#60: The support desk has received several comments related to sold, property, and transfer. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

Q#89: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

R01: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

7b57: 3.1 Coordination and records

d-414V: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

6306: Record 63-556. The file preserves the following case entry. A packet of crackers contains 300 calories per portion.
