

## Quantitative Case File

47/D7: Regional Operations Brief — prepared for the 10:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

### 3415: 1. Purpose and reading note

F#04: Record ED-490. The file preserves the following case entry. Ashley has  $(2 + 5)$  containers of frosting in her pantry. Each container of frosting can frost 16 cakes. Ashley wants to bake enough cakes to use up all of her frosting. If each oven rack holds 14 cakes, how many oven racks worth of cakes should she bake? The entry was retained with the case materials for review.

11B1: Record FB-556. The file preserves the following case entry. What is the total cost of a  $(22 + 29)$ -minute call, given that the first as many clock minutes as lie between 11:50 pm and 12:05 am cost \$0.6 per minute and any additional minutes cost \$0.5 per minute? The entry was retained with the case materials for review.

I#50: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

| Team           | On-call staff | Next check-in |
|----------------|---------------|---------------|
| Roads          | 14            | 09:30         |
| Parks          | 6             | 10:15         |
| Communications | 9             | 11:00         |

10/N0: The morning desk received 50 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

### G#38: 2. Topic and conditions update

4d04: Several field notes refer to sold, property, and transfer. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

5k45: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

U80: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

### J20: 3. Related observations and service notes

M59: Record 5D-873. The file preserves the following case entry. Martin has a vegetable patch that is 162 feet long. He wants to fill his patch with tomato plants. Each plant takes up  $(2 + 3)$  feet of space, and he needs to leave 13.5 feet between each one. Martin already has 11 tomato plants at home. If each new plant costs \$12 at the nursery, how much will Martin spend to fill his vegetable patch? The entry was retained with the case materials for review.

3d43: The support team has received related comments about sold, property, and transfer; some mention weather conditions and others concern routine service access. The note was retained for the next review.

1w31: The support desk has received several comments related to sold, property, and transfer. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

x-551D: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

t-082T: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

68/K8: Record 91-700. The file preserves the following case entry. What is the total amount spent by Viktor on school supplies, given that he bought  $(4 + 12)$  folders for \$5.75 each, 10 rulers for \$18.5 each, and spent an additional \$21 on

other supplies? The entry was retained with the case materials for review.

### 67/17: 3.1 Coordination and records

5e25: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

5k15: Record 8A-405. The file preserves the following case entry. Viktor bought  $(7 + 9)$  folders at  $\square 5.75$  each, 10 rulers at  $\square 18.5$  each, and a pencil case for  $\square 21$  for his school supplies. What is the total amount Viktor spent? The entry was retained with the case materials for review.

### 14A084: 4. Facilities and meeting logistics

F11: Record F1-647. The file preserves the following case entry. Lucas owns a vineyard covering 75 square yards, with  $(37 + 40)$  grapevines planted per square yard. Lucas can harvest his grapes every 12 months. How many grapes can Lucas harvest within a year? The entry was retained with the case materials for review.

8f78: The east meeting room is reserved for 14 attendees, with 3 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

J&S:

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |
| Route update     | Roads          | 15:30    |
| Venue access     | Facilities     | 14:00    |

R9A-EBE: Record 6B-280. The file preserves the following case entry. In a separate final and value and required record, Given counted  $(13 + 20)$  items in the first review and 12 in the second review. How many items did Given count altogether? The entry was retained with the case materials for review.

76/26: Record 1D-249. The file preserves the following case entry. Liam is considering whether to clean his house himself or hire a cleaning service. If he cleans it himself, he'll miss out on  $(2 + 4)$  hours of overtime work, losing \$70/hour in extra earnings. The cleaning service charges \$79. How much more money will Liam have if he hires the cleaning service? The entry was retained with the case materials for review.

### 24W514: 5. Questions for the coordination call

z-793V: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

N37: Record F2-165. The file preserves the following case entry. David had \$12.48 and bought  $(4 + 12)$  bolts costing \$0.03 each. After his purchase, how much money does David have left? Give your answer as a whole number of dollars. The entry was retained with the case materials for review.

Y&16: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

7b67: The monitoring log contains 23 references to sold and property, alongside routine status updates. Can all 23 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

55T185: A liaison also received 6 requests mentioning sold and property. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

F03: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

4j24: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

U87: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

O#23: Record 5F-957. The file preserves the following case entry. Given that Mr. Foster sold his property for \$400,238 and had to pay a three percent transfer fee, a (2 + 3) percent brokerage fee, and an additional loan fee of \$250,000.50, determine his net proceeds from the sale. The entry was retained with the case materials for review.

3666: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

I-361P: A progress log contains 28 entries associated with the current case. At the review, the open item was restated as: According to the brief's case material concerning sold and property, what final value is required? Could the item be closed before the 15:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 31 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

51/V1: The planning desk grouped 38 follow-up notes under the same request. One note asks: According to the brief's case material concerning sold and property, what final value is required? Would a further review call before 16:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 29 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

4#44: A coordinator marked 9 status updates for later attention. The accompanying prompt reads: According to the brief's case material concerning sold and property, what final value is required? Can the requested outcome be confirmed during the 9:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 33 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed. The extended background record for According and brief and quantitative preserves administrative observations, scheduling details, and staff comments for later reference.
