8371: 5. Questions for the coordination call

V#97: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

5870: Record 04-455. The file preserves the following case entry. Toulas ordered (1 + 2) boxes of doughnuts at \$68 per box, 2 boxes of mini cupcakes at \$80 per box, and 6 boxes of mini cheesecakes at \$55 per box for a party. What was the total amount she paid for all the pastries? The entry was retained with the case materials for review.

E#81: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

D#08: The monitoring log contains 22 references to Leon and estimating, alongside routine status updates. Can all 22 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

2609: A liaison also received 5 requests mentioning Leon and estimating. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

k-887W: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

K49: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

72/F2: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

53/Z3: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

8171: A progress log contains 19 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning Leon and estimating, what final value is required? Could the item be closed before the 14:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 34 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with

earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

RFF-E4D: Record 38-880. The file preserves the following case entry. In a separate final and value and required record, Leon recorded (2 + 3) supplies at \$15 each. How much was recorded for those supplies altogether? The entry was retained with the case materials for review.

21Y961: The planning desk grouped 35 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning Leon and estimating, what final value is required? Would a further review call before 12:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 21 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

P&45: A coordinator marked 37 status updates for later attention. The accompanying prompt reads: For this revised scenario, according to the brief's case material concerning Leon and estimating, what final value is required? Can the requested outcome be confirmed during the 10:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 16 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

68/H8: Record 8F-915. The file preserves the following case entry. What is the total distance traveled by Jasmine if she travels for (2 + 4) hours, with half of the time spent walking and the other half spent running, given that she can walk at a speed that is $\frac{1}{5}$ of her running speed and she can skip at $\frac{3}{5}$ of her running speed, and her running speed is $\frac{3}{5} \times x = 6$ miles per hour? The entry was retained with the case materials for review.

x-438S: The case tracker lists 27 pending references for the briefing. Its next action item repeats: For this revised scenario, according to the brief's case material concerning Leon and estimating, what final value is required? Should the team settle the item before the 10:00 meeting? Supporting materials were archived with the case file. A supplementary review continued to discuss case, tracker, lists, pending. The file logged 28 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
