4913: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

U30: Record 63-385. The file preserves the following case entry. Liam has $(11 + 19)$ square meters of grape vineyard. There are 94 grapes per square meter. Liam can harvest his grapes every 12 months. How many grapes can Liam harvest within a year? The entry was retained with the case materials for review.

AW67: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

90/V0: The monitoring log contains 18 references to planning and condominium, alongside routine status updates. Can all 18 references be reviewed before the 16:00 check-in? The review lead will decide on the next step after checking the files.

G37: A liaison also received 9 requests mentioning planning and condominium. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

W573N: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

61B661: Record EF-384. The file preserves the following case entry. What is the total cost of a jersey that costs \$22, a pair of leggings that costs \$9 more than the jersey, a pair of cleats that is on sale for half of their original price of \$78, and 1 headband that originally costs \$12 but has a \$4 coupon? The entry was retained with the case materials for review.

x-017T: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

G&38: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

17Y547: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

N&90: A progress log contains 32 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, what is the requested result for the report's scenario about planning and condominium? Could the item be closed before the 15:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary

review continued to discuss progress, contains: entries, associated. The file logged 12 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
