

Quantitative Case File

90/B0: Regional Operations Brief — prepared for the 11:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

H98: 1. Purpose and reading note

2208: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review. A related note in the file stated: A farmer is buying 2 pounds of sugar cubes at 1 dollar a pound, 4 bushels of carrots at 12 pounds per bushel, 42 bales of hay at 75 pounds per bale, and 20 sacks of oats at 65 pounds per sack.

R#56: Record 3C-238. The file preserves the following case entry. If Roya can peel 5 onions per minute and it takes her the minutes separating 11:50pm from 12:06am to cook a batch of 45 onions, how many minutes will it take her to peel and cook $(85 + 95)$ onions? The entry was retained with the case materials for review.

B#554:

Team	On-call staff	Next check-in
Roads	9	09:30
Parks	7	10:15
Communications	7	11:00

V73: The morning desk received 41 messages, including 9 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

3594: Record C7-948. The file preserves the following case entry. Tara was getting ready for a dinner party at her place, planning to serve chicken roast. She realized she needed more serving dishes, so she purchased a set. Later, her sister also bought her a set of 19 new serving dishes. While Tara was preparing the chicken roast, she used seven of the dishes to taste her roast. When it was time to serve, she had a total of $(13 + 17)$ serving dishes. How many serving dishes were in the set that Tara bought? The entry was retained with the case materials for review.

I&46: 2. Topic and conditions update

83/N3: Several field notes refer to farmer, buying, and pounds. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

R4A-297: Record 6E-167. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 39 items in the first review and $(6 + 15)$ in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

L#48: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

66T326: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

9e59: 3. Related observations and service notes

7653: The support desk has received several comments related to farmer, buying, and pounds. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

H#97: The support team has received related comments about farmer, buying, and pounds; some mention weather conditions and others concern routine service access. The note was retained for the next review.

F#70: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

J&82: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

y-535X: 3.1 Coordination and records

P&14: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

73/W3: 4. Facilities and meeting logistics

52/C2: The east meeting room is reserved for 20 attendees, with 4 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

6886: Record BB-342. The file preserves the following case entry. A farmer has 23 turkeys and $(3 + 9)$ pigs. Each turkey requires feed according to the formula 2 times a base amount of 7 kilograms minus 5 kilograms, and each pig requires 7 kilograms of feed. What is the total amount of feed required for all the animals? The entry was retained with the case materials for review.

26/T8:

Item	Owner	Due time
Attendance notes	Secretariat	17:00
Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

o-229Y: 5. Questions for the coordination call

3n73: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

07/Y7: Distribution: emergency planning. Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

4k54: The monitoring log contains 12 references to farmer and buying, alongside routine status updates. Can all 12 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

v-876H: A liaison also received 12 requests mentioning farmer and buying. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

M62: Record E8-266. The file preserves the following case entry. Lila provides cleaning services to 3 office buildings. The first $(1 + 1)$ have 450 offices each, and the third is 20% larger than the first two combined. Lila cleans each building twice a week and earns R0.45 per cleaning for each office. How much does she earn in a week? The entry was retained with the case materials for review.

C#51: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

2r02: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

R33-B18: Record E1-578. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 36 items in the first review and $(5 + 12)$ in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

H&83: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

W&94: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

H&02: A progress log contains 24 entries associated with the current case.
