The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

R21-B30: Record F7-996: The file preserves the following case entry. In a separate final and value and required record, Leon counted (24 + 26) items in the first review and 28 in the second review. How many items did Leon count altogether? The entry was retained with the case materials for review.

82I2: The planning group added 45 items to a tracking sheet related to according, the, brief, quantitative, scenario. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether the open question could be closed during the 13:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.
