

Quantitative Case File

S&31: Regional Operations Brief — prepared for the 10:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

X&13: Record 5B-434. The file preserves the following case entry. Mia writes all the 26 alphabets a certain number of times, then writes half of the 26 alphabets, and finally rewrites everything she has written so far. How many letters has Mia written in total if she wrote all 26 alphabets $(3 + 7)$ times? The entry was retained with the case materials for review.

02/T2: 1. Purpose and reading note

13D883: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

4577:

Team	On-call staff	Next check-in
Roads	11	09:30
Parks	6	10:15
Communications	6	11:00

Y32: The morning desk received 26 messages, including 8 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

R&D-986: Record 2D-508. The file preserves the following case entry. In a separate final and value and required record, there counted 43 items in the first review and $(7 + 15)$ in the second review. How many items did there count altogether after adding one corrected entry? The entry was retained with the case materials for review.

88G058: 2. Topic and conditions update

94/H4: Several field notes refer to students, second, and grade. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

4104: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

I-800X: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

J#39: 3. Related observations and service notes

97Y277: The support team has received related comments about students, second, and grade; some mention weather conditions, and others concern routine service access. The note was retained for the next review. A related note in the file stated: On Tuesday, 3 female students, and 6 male students were missing.

H#22: Record 6D-539. The file preserves the following case entry. Two colleagues, Rachel and Karen, have an age difference of $(7 + 9)$ years. If Rachel is the younger one at 40 years old, what is the average age of the two colleagues? The entry was retained with the case materials for review.

37/E7: Record E9-235. The file preserves the following case entry. A school has $(90 + 93)$ students with different interests. 42 are in the drama club, 25 enjoy playing badminton, and the remaining students are either in the choir or the art club. How many are in the choir if the number in the art club is twice the number that like playing badminton? The entry was retained with the case materials for review.

s-1800: The support desk has received several comments related to students, second, and grade. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

V&20: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

5d06: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

4r14: Record EB-287. The file preserves the following case entry. A bookshelf is filled with 8 red books, thrice as many blue books, and an unknown number of green books. If there are $(17 + 21)$ books on the bookshelf in total, how many green books are there? The entry was retained with the case materials for review.

W#57: 3.1 Coordination and records

Q540: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

8u88: 4. Facilities and meeting logistics

83/G3: The east meeting room is reserved for 13 attendees, with 3 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

49R339: Record ED-206. The file preserves the following case entry. The toy store had 180 boxes of toys. The Martinez twins each sold 43 boxes. All the other boxes except $(7 + 10)$ were sold by their colleagues. How many boxes did the colleagues sell? The entry was retained with the case materials for review.
