40/Z0: 5. Questions for the coordination call

10/D0: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

72A682: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

230643: The monitoring log contains 12 references to difference and between, alongside routine status updates. Can all 12 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

p-960R: A liaison also received 6 requests mentioning difference and between. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

26S626: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

P&37: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

RB9-A54: Record 13-676. The file preserves the following case entry. In a separate about and difference and between record, Dr. logged (15 + 19) items in one category and 10 in another. What is the difference between the two counts? The entry was retained with the case materials for review.

T&91: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

Y&59: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

0UG1:

Section	Details	
Reference note	A progress log contains 26 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, what is the requested result for the report's scenario about difference and between? Could the item be closed before the 13:00 check-in? The detailed figures are maintained in a separate worksheet.
