

## Quantitative Case File

W#61: Regional Operations Brief — prepared for the 8:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

H31: Record 3E-666. The file preserves the following case entry. Emma was organizing a family picnic and planned to serve pasta salad. She realized she needed more napkins, so she purchased a new pack of napkins. Meanwhile, her sister also bought a pack of 18 napkins and handed them to Emma. As Emma prepared the salad, she used five napkins for cleaning up spills. When it was time to set the picnic table, she had a total of  $(12 + 17)$  napkins. How many napkins were in the pack that Emma bought? The entry was retained with the case materials for review.

### 54L584: 1. Purpose and reading note

1225: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

b-437C:

| Team           | On-call staff | Next check-in |
|----------------|---------------|---------------|
| Roads          | 11            | 09:30         |
| Parks          | 6             | 10:15         |
| Communications | 7             | 11:00         |

2151: The support team has received related comments about lens, exchanged, and emails; some mention weather conditions and others concern routine service access. The note was retained for the next review.

X75: The morning desk received 41 messages, including 2 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

### 60/P0: 2. Topic and conditions update

L99: Several field notes refer to lens, exchanged, and emails. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

K&01: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

53/13: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

### e-158T: 3. Related observations and service notes

9i29: Record A6-246. The file preserves the following case entry. Opal exchanged emails with 2920 friends. She lost touch with 4 of them. Each friend sends her  $(2 + 2)$  emails per week, each email being 6 paragraphs long. She replies to each message in the same format. Given that it takes her a span in minutes running from 11:56pm to 12:01am to write a paragraph, how many hours does Opal spend writing emails weekly? The entry was retained with the case materials for review.

6503: The support desk has received several comments related to lens, exchanged, and emails. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

M44: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

S#13: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

49/R9: Record FD-154. The file preserves the following case entry. Tom takes  $(2 + 4)$  math classes and 4 science classes every day from Monday to Friday. Each of his classes is however many minutes separate 11:48 PM and 12:48 AM long. On Saturday and Sunday, he attends  $\frac{2}{5}$  of the total time he spends in class during the weekdays. How many hours does Tom spend in class per week? The entry was retained with the case materials for review.

## y-638O: 3.1 Coordination and records

3e63: Record EB-728. The file preserves the following case entry. Lincoln High School is hosting its graduation ceremony in the stadium, which has a capacity of 7300 attendees. After reserving 1200 seats for graduates and (45 + 55) seats for staff members, how many tickets can each graduate distribute to their relatives and friends if the remaining tickets are divided equally? The entry was retained with the case materials for review.

G&21: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

K99: Record B6-722. The file preserves the following case entry. Rahul completed half of a 500 piece jigsaw, and then began and completed another 500 piece jigsaw within as many clock minutes as lie between 11.34 p.m. and 12.34 a.m.. How many jigsaw pieces did Rahul put together during that the clock interval marked by 11.49pm and 12.49am? The entry was retained with the case materials for review.

## 0k50: 4. Facilities and meeting logistics

1185: The east meeting room is reserved for 14 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

4w14:

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |
| Route update     | Roads          | 15:30    |
| Venue access     | Facilities     | 14:00    |

## a-915L: 5. Questions for the coordination call

b-859H: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

n-472I: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

D#96: The monitoring log contains 28 references to Opal and exchanged, alongside routine status updates. Can all 28 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

M11: A liaison also received 6 requests mentioning Opal and exchanged. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

P&28: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

53/X3: Record 76-861. The file preserves the following case entry. There are (2 + 4) students in the library. If there are twice the number of teachers in the library, how many people are in the library? The entry was retained with the case materials for review.

Z&85: Record 2A-972. The file preserves the following case entry. There are 6 periods in the day for a normal teacher but Emily has to teach (1 + 1) extra sessions. Each session is the clock interval marked by 11:31 PM and 12:11 AM long. She teaches for as many days as between December 28 this year and January 2 next year a week. She then spends 1/16 of her weekly minutes each on Saturday and Sunday as extra grading time. How many hours a week does she spend teaching and grading? The entry was retained with the case materials for review.

y-751Q: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

Q13: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

a-687C: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will

keep the full set together.

R7C-37D: Record 63-781. The file preserves the following case entry. In a separate final and value and required record, Opal counted (6 + 14) items in the first review and 20 in the second review. How many items did Opal count altogether? The entry was retained with the case materials for review.

72/J2: A progress log contains 26 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning Opal and exchanged, what final value is required? Could the item be closed before the 16:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 34 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

24P624: The planning desk grouped 26 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning Opal and exchanged, what final value is required? Would a further review call before 10:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 29 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

62/O2: A coordinator marked 11 status updates for later attention. The accompanying prompt reads: For this revised scenario, according to the brief's case material concerning Opal and exchanged, what final value is required? Can the requested outcome be confirmed during the 14:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates. The file logged 33 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

M882: The case tracker lists 34 pending references for the briefing. Its next action item repeats: For this revised scenario, according to the brief's case material concerning Opal and exchanged, what final value is required? Should the team settle the item before the 13:00 meeting? Supporting materials were archived with the case file. A supplementary review continued to discuss case, tracker, lists, pending. The file logged 22 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
