Route update	Roads	15:30
Venue access	Facilities	14:00

83/X3: 5. Questions for the coordination call

Z57: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

M14: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

X#97:

Section	Details	
Reference note	The monitoring log contains 20 references to Simon and make, alongside routine status updates. Follow-up note	Can all 20 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

x-091K: A liaison also received 5 requests mentioning Simon and make. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

K#31: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

63N513: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

H#57: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference.
