K#27: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

w-9290: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

I#31: The monitoring log contains 16 references to wants and purchase, alongside routine status updates. Can all 16 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

62D452: A liaison also received 12 requests mentioning wants and purchase. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

51S621: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

o-4710: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

1u61: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

C&00: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

c-165S: A progress log contains 26 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning wants and purchase. Could the item be closed before the 14:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 17 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

62/22: The planning desk grouped 13 follow-up notes under the same request. One note asks: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning wants and purchase. Would a further review call before 13:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 27 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
