3e13: Record F9-690. The file preserves the following case entry. In a darts competition, Jordan earned 278 points in one round. Alex scored $(3 + 8)$ more than half as many as Jordan. What is the total number of points Jordan and Alex scored together? The entry was retained with the case materials for review.

40/C0: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

K&09: Record 90-488. The file preserves the following case entry. Lena has €82.3 and plans to purchase $(24 + 31)$ screws from a box at the supply shop. Each screw is priced at €0.26. How much money does Lena have remaining after buying the screws? The entry was retained with the case materials for review.

197: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

T&58: The monitoring log contains 29 references to selling and chocolate, alongside routine status updates. Can all 29 references be reviewed before the 13:00 check-in? The review lead will decide on the next step after checking the files.

40/W0: A liaison also received 12 requests mentioning selling and chocolate. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

81P601: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

8g08: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

4103: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

e-967Y: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

5758: A progress log contains 14 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning selling and chocolate. Could the item be closed before the 14:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 22 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

1918: The planning desk grouped 34 follow-up notes under the same request. One note asks: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning selling and chocolate. Would a further review call before 19:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 34 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

51/F1: A coordinator marked 25 status updates for later attention. The accompanying prompt reads: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning selling and chocolate. Can the requested outcome be confirmed during the 11:00 review? The update was retained for the next review. A supplementary review continued to discuss coordinator, marked, status, updates.
