Communications	6	11:00

S87: Record 21-928. The file preserves the following case entry. A typical school day has 6 periods, but Ethan attends an additional 1 special lecture. With each session lasting a minute count matching 11:44pm through 12:44am, he attends school for a day count matching Dec 28 this year through Jan 1 next year a week. He then allocates 1/7 of his total weekly class time to studying on both Saturday and Sunday. How many hours does he dedicate to studying per week? The entry was retained with the case materials for review.

G26: The support team has received related comments about farmer, buying, and boxes; some mention weather conditions and others concern routine service access. The note was retained for the next review.

K34: The morning desk received 26 messages, including 2 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

98O028: 2. Topic and conditions update

6710: Several field notes refer to farmer, buying, and boxes. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

7240: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

s-511F: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

RBE-6FC: Record 28-994. The file preserves the following case entry. In a separate about and farmer and buying record, the case owner counted (22 + 28) items in the first review and 25 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

3133: 3. Related observations and service notes

j-636R: The support desk has received several comments related to farmer, buying, and boxes. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

17Q197: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

O43: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

36/S6: 3.1 Coordination and records

7J27: Record 8A-949. The file preserves the following case entry. A man is on a special diet that requires him to eat a certain number of eggs over a period of time. For the first as many days as between Dec. 14 (this year) and Jan. 3 (next year), he eats 3 eggs per day. After that, for the next a day count matching Dec. 21 (this year) through Feb. 25 (next

year), he increases his egg consumption to 6 eggs per day. How many dozen eggs will he eat in total during this period? The entry was retained with the case materials for review.

J30: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

1-617Y: 4. Facilities and meeting logistics

33/L3: Record EA-753. The file preserves the following case entry. Jamal went to a bakery with \$1200. He received a 7% discount on his total purchase and spent the remaining amount on cookies and pretzels. Each cookie costs \$0.50, and he bought $(2 + 4)$ cookies. If each pretzel costs \$0.75, how many pretzels did Jamal buy? The entry was retained with the case materials for review.

e-350N: The east meeting room is reserved for 19 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

47/A7:

Item	Owner	Due time

18/R6: Record AB-406. The file preserves the following case entry. The farmer has (3 + 9) sheep and 15 goats. Each sheep needs twice as much hay as the farmer's pigs, who each eat 5 pounds, minus 3 pounds. The goats need 5 pounds of hay. How many pounds of hay do the animals need in total? The entry was retained with the case materials for review.

60Z580: The field-liaison prepared a detailed briefing note about for, this, revised, scenario, what. It logged 46 related references from prior updates and retained them in chronological order. The note was retained for the next review. Could this open item be reviewed before the 16:00 checkpoint? The coordinator will attach source material after the remaining references are verified.

66K606: Record 77-440. The file preserves the following case entry. A butcher sells 7 steaks per day, his brother sells 5 steaks per day, and their sister sells (2 + 2) steaks per day. How many steaks do the three of them sell in one week? The entry was retained with the case materials for review.

0d20: A working summary for for, this, revised, scenario, what was circulated among the coordination office. The summary lists 38 observations, dates, and follow-up comments that may be relevant to later discussion. The note was retained for the next review. Staff were asked to preserve the wording of each observation. A subsequent update will identify which materials require a formal response.

B826: The review panel recorded 53 status entries connected with for, this, revised, scenario, what. Several entries mention quantities, schedules, or prior decisions, but they were entered as separate administrative references. Could a reviewer settle the current request by 16:00? The note records the entries in the order received. The case owner will compare the status entries with the supporting materials during the next review.

68Z808: Record 71-913. The file preserves the following case entry. A watercolor paint spill spreads across a canvas. It takes a duration in minutes equal to the gap between 8:27 pm and 12:57 am to cover every (7 + 15) inches of the canvas. If the canvas is 66 inches across from one edge to the other, how many minutes will it take for the paint spill to cover the whole canvas? The entry was retained with the case materials for review.

Z42: For the current case, the field liaison assembled 34 background notes concerning for, this, revised, scenario, what. The notes document questions raised by different participants and preserve the times at which they were received. One follow-up asks if the requested result should be discussed at 14:00, while staff prepare the next review. The file remains open while staff check the original observations. A later memo will summarize which issues were resolved.

m-285H: A liaison maintained 31 reference points for the discussion of for, this, revised, scenario, what. These notes include meeting times, routing details, and short descriptions of the questions received from each team. Can the liaison provide a decision-ready update before the 16:00 review? The notes remain available for the next review. The liaison will preserve the references for comparison with the complete scenario.

R7C-670: Record 35-210. The file preserves the following case entry. In a separate about and farmer and buying record, the case owner counted (16 + 22) items in the first review and 29 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

W88: The planning group added 29 items to a tracking sheet related to for, this, revised, scenario, what. Each item records a local observation and a pending action, so the sheet serves as context for the broader case. Staff asked whether the open question could be closed during the 12:00 session. The note was retained for the next review. The next report will note any follow-up needed from the participating teams.
