| Communications | 8             | 11:00         |

RA3-02D: Record 74-898. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 20 items in the first review and  $(4 + 8)$  in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

29X679: Record BC-784. The file preserves the following case entry. What is the maximum number of friends that a girl can invite to go go-karting if she has €260 to spend and it costs €4 for food, €4 for drinks, and €44 per person for the go-karts? The entry was retained with the case materials for review.

23/M3: Record 53-723. The file preserves the following case entry. Alex has three times as many books as Benjamin. Ethan has four times as many books as Benjamin. If Alex has  $(3 + 9)$  books, how many books does Ethan have? The entry was retained with the case materials for review.

M&77: The morning desk received 21 messages, including 5 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

### 95/O5: 2. Topic and conditions update

VW22: Several field notes refer to minimum, number, and trips. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

I-101M: The support team has received related comments about minimum, number, and trips; some mention weather conditions and others concern routine service access. The note was retained for the next review.

59E989: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

54A204: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

R3C-EF7: Record 2C-869. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 39 items in the first review and  $(7 + 14)$  in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

### s-802T: 3. Related observations and service notes

27/P7: The support desk has received several comments related to minimum, number, and trips. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

7711: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

3r23: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

## 71/R1: 3.1 Coordination and records

4515: Before the coordination call, each team should review its own entries, for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

### D95: 4. Facilities and meeting logistics

10A800: The east meeting room is reserved for 13 attendees, with 4 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

UE84:

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |
| Route update     | Roads          | 15:30    |
| Venue access     | Facilities     | 14:00    |

### D&34: 5. Questions for the coordination call

79F829: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

p-076F: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

V75: The monitoring log contains 24 references to minimum and number, alongside routine status updates. Can all 24 references be reviewed before the 16:00 check-in? The review lead will decide on the next step after checking the files.

U35: A liaison also received 11 requests mentioning minimum and number. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

37G857: Record 0A-890. The file preserves the following case entry. A sculpture is constructed using 5 bronze blocks, three times as many silver blocks, and an unknown number of gold blocks. If the sculpture consists of  $(5 + 16)$  blocks in total, how many gold blocks are there? The entry was retained with the case materials for review.

7u87: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

T&30: Record 62-228. The file preserves the following case entry. Emily picked 4 apples on Monday. Then she picked  $(2 + 4)$  apples on Tuesday. On Wednesday, she picked triple the number of apples she did on Monday. How many apples does Emily have? The entry was retained with the case materials for review.

k-047F: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them. The extended background record for According and brief and quantitative preserves administrative observations, scheduling details, and staff comments for later reference.
