

## Quantitative Case File

2p12: Regional Operations Brief — prepared for the 9:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

S28: Record AC-643. The file preserves the following case entry. There are 6 shifts in the day for a normal nurse, but Ava has to work 1 extra shift. Each shift is the minutes separating 11:15 pm from 12:15 am long. She works for the day interval marked by 12/26 this year and 1/1 next year a week. She then spends 1/7 of her weekly minutes each on Saturday and Sunday as extra training time. How many hours a week does she spend training? The entry was retained with the case materials for review.

### 38H878: 1. Purpose and reading note

5657: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

q-408Q: Record A1-954. The file preserves the following case entry. A regular school day has 6 lessons, but Priya attends 2 additional sessions. Each session lasts a minute count matching 11:38pm through 12:18am. She goes to school the number of days from this year's Dec 29 to next year's Jan 3 a week. On Saturday and Sunday, she spends 1/16 of her weekly study minutes each day doing extra revision. How many hours per week does she spend studying? The entry was retained with the case materials for review.

5628:

| Team           | On-call staff | Next check-in |
|----------------|---------------|---------------|
| Roads          | 8             | 09:30         |

| Communications | 8             | 11:00         |

34F084: The morning desk received 28 messages, including 3 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

B#96: The support team has received related comments about lila, corresponding, and friends; some mention weather conditions and others concern routine service access. The note was retained for the next review.

### 60R240: 2. Topic and conditions update

9r99: Several field notes refer to lila, corresponding, and friends. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

X&24: A liaison asked whether the weather-sensitive update should be issued before 14:00. The answer depends on a later policy decision. The note was retained for the next review.

O#17: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

### 2094: 3. Related observations and service notes

6e06: The support desk has received several comments related to lila, corresponding, and friends. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

26i6: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

194: Record 10-759. The file preserves the following case entry. Emily caught 4 salmon last Tuesday, the first salmon she caught weighs (38 + 40) pounds, the second salmon she caught weighs 38 pounds, and the last salmon she caught weighs 36 pounds. If a pound of salmon costs \$0.25, how much will she earn after selling all the salmon to the market? The entry was retained with the case materials for review.

01/M1: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

E#58: Record 16-192. The file preserves the following case entry. Rahul is saving for a concert. The youth organization has agreed to bear 1/2 of the concert's expense. If Rahul currently has ₹115, and the total cost of the concert is ₹590, how much more money does Rahul need? The entry was retained with the case materials for review.

### E#05: 3.1 Coordination and records

7229: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

### K39: 4. Facilities and meeting logistics

L65: The east meeting room is reserved for 17 attendees, with 2 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

Q19:

| Item             | Owner          | Due time |
|------------------|----------------|----------|
| Attendance notes | Secretariat    | 17:00    |
| Notice review    | Communications | 13:00    |

| Venue access     | Facilities     | 14:00    |

### 3605: 5. Questions for the coordination call

B&73: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

I#85: Distribution: emergency planning. Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

RE2-494: Record 59-388. The file preserves the following case entry. In a separate about and grace and corresponding record, Grace counted (9 + 17) items in the first review and 22 in the second review. How many items did Grace count altogether? The entry was retained with the case materials for review.

2x12: The monitoring log contains 17 references to Grace and corresponding, alongside routine status updates. Can all 17 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

6106: A liaison also received 9 requests mentioning Grace and corresponding. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

D54: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

h-446H: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

4682: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference.
