T&42: Record 08-474. The file preserves the following case entry. Rohan is a plant enthusiast. Yesterday, he got (12 + 22) exotic plants at the local botanical garden sale. He has arranged 11 plants on each of the 62 shelves in his spacious greenhouse. Tomorrow, he plans to donate 3 plants from each shelf to the community garden. How many plants will Rohan be left with? The entry was retained with the case materials for review.

w-050R: 5. Questions for the coordination call

X55: Record 78-189. The file preserves the following case entry. A farmer is buying 7 bags of oats, 13 bags of cucumbers, (4 + 11) bags of apples, and 32 bags of corns. If each bag of oats weighs 5 pounds, each bag of cucumbers weighs 5 pounds, each bag of apples weighs 16 pounds and each bag of corns weighs 1501 pounds. The farmer has a farm truck that can transport up to 180 pounds per trip. Determine how many trips will the farmer need to transport all the feed in his farm truck. The entry was retained with the case materials for review.

4j24: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

H86: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

R79-93C: Record 6F-784. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 22 items in the first review and (6 + 14) in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

Q#78: The monitoring log contains 28 references to farmer and buying, alongside routine status updates. Can all 28 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

32H402: A liaison also received 6 requests mentioning farmer and buying. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

u-535M: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

21A301: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

18K128: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

95/T5: Record EA-287. The file preserves the following case entry. Liam and Noah are brothers from Berlin who enjoy gathering stamps from different countries. During their summer vacation, the brothers dedicate each afternoon to collecting stamps. After 4 weeks, Liam and Noah count their stamp albums: Liam has $(6 + 16)$ stamps, while Noah has 43. With 3 more weeks of vacation left, they aim to collect a total of 140 stamps together by the end of their break. How many more stamps do they need to gather to achieve their goal? The entry was retained with the case materials for review.

6m06: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

8497: A progress log contains 20 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning farmer and buying, what final value is required? Could the item be closed before the 16:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 21 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

A#66: The planning desk grouped 24 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning farmer and buying, what final value is required? Would a further review call before 10:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 20 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
