

Quantitative Case File

8q18: Regional Operations Brief — prepared for the 11:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

k-153S: 1. Purpose and reading note

j-323M: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

47MB27

Team	On-call staff	Next check-in
Roads	13	09:30
Parks	5	10:15
Communications	9	11:00

N09: The morning desk received 50 messages, including 9 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

O&62: 2. Topic and conditions update

D57: Several field notes refer to sold, flat, and paid. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

6a96: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

1095: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

4785: 3. Related observations and service notes

O61: The support desk has received several comments related to sold, flat, and paid. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

DW23: Record 15-731. The file preserves the following case entry. Mateo caught 7 cods. The first cod weighed 77 kg, the second weighed $(20 + 31)$ kg and the rest weighed 20 kg each. If he is paid ¥0.5 per kilo, how much will he earn in total? The entry was retained with the case materials for review.

S#93: The support team has received related comments about sold, flat, and paid; some mention weather conditions and others concern routine service access. The note was retained for the next review.

RC3-38B: Record 5B-192. The file preserves the following case entry. In a separate about and sold and flat record, Mr counted $(15 + 26)$ items in the first review and 10 in the second review. How many items did Mr count altogether? The entry was retained with the case materials for review.

9x89: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

N#44: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

173: 3.1 Coordination and records

6359: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

C26: 4. Facilities and meeting logistics

1p01: The east meeting room is reserved for 16 attendees, with 4 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

5030

Item	Owner	Due time
Attendance notes	Secretariat	17:00
Notice review	Communications	13:00
Route update	Roads	15:30
Venue access	Facilities	14:00

7157: Record 71-277. The file preserves the following case entry. The Easter egg hunt organizers hid 200 eggs. The Smith siblings each found 11 eggs. All the other eggs except (3 + 9) were found by their classmates. How many eggs did the classmates find? The entry was retained with the case materials for review.

9i99: 5. Questions for the coordination call

X&02: Should a second status call be added this afternoon? Can the public information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

M&01: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

48Y748: Record DE-860. The file preserves the following case entry. Mr Grant sold his HDB flat for \$401745. He paid 3% of the selling price for transfer fees and 5% for brokerage fee. He also paid \$250000 to clear his housing loan and 2% of the selling price as property tax. Determine Mr Grant's net proceeds from the sale. The entry was retained with the case materials for review.

Q32: Record CS-476. The file preserves the following case entry. A tower is built with (3 + 5) blue blocks, three times as many yellow blocks, and an unknown number of red blocks. If there are 38 blocks in the tower in total, how many red blocks are there? The entry was retained with the case materials for review.

k-307E: The monitoring log contains 13 references to sold and flat, alongside routine status updates. Can all 13 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

95/V5: A liaison also received 6 requests mentioning sold and flat. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

5045: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

D44: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

1-863B: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.
