p-038W: The morning desk received 34 messages, including 6 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

6383: Record ED-158. The file preserves the following case entry. In a bookstore, there are twice as many novels as textbooks. The store currently has $(18 + 22)$ textbooks on its shelves. The owner then purchases 60 additional textbooks and buys 40 fewer novels than the number of textbooks acquired. What is the total number of novels and textbooks in the bookstore now? The entry was retained with the case materials for review.

y-277L: 2. Topic and conditions update

R62-EBD: Record B4-387. The file preserves the following case entry. In a separate concerning and vera and study record, Vera counted 50 items in the first review and $(9 + 15)$ in the second review. How many items did Vera count altogether? The entry was retained with the case materials for review.

639: Several field notes refer to emily, study, and buddy. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

33M833: A liaison asked whether the weather-sensitive update should be issued before 15:00. The answer depends on a later policy decision. The note was retained for the next review.

R96: The support team has received related comments about emily, study, and buddy; some mention weather conditions and others concern routine service access. The note was retained for the next review.

77107: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

R05-891: Record B3-795. The file preserves the following case entry. In a separate concerning and vera and study record, Vera counted 34 items in the first review and $(5 + 15)$ in the second review. How many items did Vera count altogether? The

entry was retained with the case materials for review.

99/Z9: 3. Related observations and service notes

H#89: The support desk has received several comments related to emily, study, and buddy. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

I#96: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

C#68: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

7157: 3.1 Coordination and records

12D532: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

1655: 4. Facilities and meeting logistics

N47: Record FE-257. The file preserves the following case entry. If a coffee recipe calls for a total of 210 parts, where $(65 + 75)$ parts are sugar and the remaining 70 parts are coffee, how many teaspoons of sugar does she use if she uses the entire batch? The entry was retained with the case materials for review.

I-307H: The east meeting room is reserved for 16 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

R78-SEC: Record F4-978. The file preserves the following case entry. Venue access	Facilities	14:00

37/Y7: Record 80-905. The file preserves the following case entry. Uma has collected $(8 + 14)$ signatures for a petition and Gabrielle has collected 43. If their goal is to collect 140 signatures, how many more do they need to collect? The entry was retained with the case materials for review.

87/J7: 5. Questions for the coordination call

E09: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

L&43: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

78H868: The monitoring log contains 28 references to Vera and study, alongside routine status updates. Can all 28 references be reviewed before the 14:00 check-in? The review lead will decide on the next step after checking the files.

WW94: A liaison also received 11 requests mentioning Vera and study. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

31F741: Record 83-249. The file preserves the following case entry. Ramesh picked 4 watermelons last Friday, the first watermelon he picked weighs 47 kgs, the second watermelon he picked weighs $(26 + 29)$ kgs, and the last watermelon he picked weighs 24 kgs. If a kg of watermelon costs ¥1.0, how much will he earn after selling all the watermelons to the market? The entry was retained with the case materials for review.

L92: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its

normal review.

P31: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

p-225V: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

Z80: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

O#80: A progress log contains 34 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Vera and study. Could the item be closed before the 13:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains entries associated. The file logged 18 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

273: The planning desk grouped 30 follow-up notes under the same request. One note asks: For this revised scenario, use the relevant quantitative passage in this document to determine the outcome concerning Vera and study. Would a further review call before 10:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 32 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.
