### D36: 5. Questions for the coordination call

s-144B: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

J&92: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

b-053B: The monitoring log contains 25 references to Opal and bills, alongside routine status updates. Can all 25 references be reviewed before the 17:00 check-in? The review lead will decide on the next step after checking the files.

0v30: A liaison also received 5 requests mentioning Opal and bills. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

16/E6: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

G#56: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

3b73: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked.

Q&44: A final distribution note asks recipients to retain the brief with their local records. It also reminds readers that routine service counts, dates, and operational questions are included in several sections. The document-management team will keep the full set together.

8504: A progress log contains 33 entries associated with the current case. At the review, the open item was restated as: For this revised scenario, according to the brief's case material concerning Opal and bills, what final value is required? Could the item be closed before the 15:00 check-in? The detailed figures are maintained in a separate worksheet. A supplementary review continued to discuss progress, contains, entries, associated. The file logged 18 related references

during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up. The next review will revisit the topic after the remaining references are confirmed.

u-750C: The planning desk grouped 10 follow-up notes under the same request. One note asks: For this revised scenario, according to the brief's case material concerning Opal and bills, what final value is required? Would a further review call before 13:00 resolve the request? The planning note was circulated among the participating teams. A supplementary review continued to discuss planning, desk, grouped, follow. The file logged 29 related references during the reporting period and grouped them with the same subject area. Staff compared the notes with earlier updates before preparing a short follow-up.
