

Quantitative Case File

o-4471: Regional Operations Brief — prepared for the 10:00 coordination call. This internal document combines service updates, weather-sensitive observations, planning notes, and open questions from several teams.

Y#41: 1. Purpose and reading note

43D493: Each item in this brief is submitted by a different team. Dates, staff counts, message totals, and operational questions apply only to the item in which they appear. The note was retained for the next review.

1847:

Team	On-call staff	Next check-in
Roads	10	09:30
Parks	8	10:15
Communications	8	11:00

E#82: Record 46-646. The file preserves the following case entry. A tank contains 10 liters of apple juice that is two-thirds juice concentrate, and I want to mix it with $(4 + 11)$ liters of grape juice that is three-fifths concentrate. However, during the process, I accidentally lose one liter of the apple juice. How much concentrate is there in the final 24 liters? The entry was retained with the case materials for review.

7d57: The morning desk received 21 messages, including 4 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

52/T2: 2. Topic and conditions update

R65-B07: Record AB-407. The file preserves the following case entry. In a separate final and value and required record, the case owner counted $(16 + 20)$ items in the first review and 17 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

E#09: The support team has received related comments about shelter, stocking, and supplies: some mention weather conditions and others concern routine service access. The note was retained for the next review.

1833: Several field notes refer to shelter, stocking, and supplies. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

27/M7: A liaison asked whether the weather-sensitive update should be issued before 17:00. The answer depends on a later policy decision. The note was retained for the next review.

N#64: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

Y&09: 3. Related observations and service notes

C02: The support desk has received several comments related to shelter, stocking, and supplies. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

R&79: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

R65-BD1: Record 55-205. The file preserves the following case entry. In a separate final and value and required record, the case owner counted $(16 + 23)$ items in the first review and 21 in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.

2162: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

H#97: 3.1 Coordination and records

d-879V: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to their originating team. The note was retained for the next review.

06/J6: 4. Facilities and meeting logistics

5q96: Record B0-417. The file preserves the following case entry. Jenna reeled in 3 salmon on Saturday, with the first weighing $(23 + 33)$ kilograms, the second weighing 46 kilograms, and the third weighing 26 kilograms. If each kilogram of salmon sells for \$0.50, how much money will Jenna make after selling all her salmon at the market? The entry was retained with the case materials for review.

m-109S: The east meeting room is reserved for 14 attendees, with 3 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

B36: 5. Questions for the coordination call

64Q534: Record D3-113. The file preserves the following case entry. Alex has three times as many Instagram followers as Maria. David has four times as many followers on Instagram as Maria. If Alex has $(5 + 7)$ followers on Instagram, how many Instagram followers does David have? The entry was retained with the case materials for review.

n-391N: Should a second status call be added this afternoon? Can the public-information desk continue with its current staffing? These are policy and operational questions. The note was retained for the next review.

1q51: Record 5C-821. The file preserves the following case entry. Aisha buys her brother 72 toy cars, $(13 + 23)$ toy airplanes, and 22 puzzles. She also buys him a tube of bouncy balls. If she ends up buying him a total of 153 toys, how many bouncy balls were in the tube that she bought for her brother? The entry was retained with the case materials for review.

91P341: Distribution: emergency planning, Roads, Parks, Library, and Communications. Please retain this document with the coordination records and use only verified updates in external communications.

c-646O: The monitoring log contains 18 references to shelter and stocking, alongside routine status updates. Can all 18 references be reviewed before the 15:00 check-in? The review lead will decide on the next step after checking the files.

618O: A liaison also received 11 requests mentioning shelter and stocking. Would adding a second review call reduce the outstanding requests by the end of the day? The liaison will raise that question at the next planning meeting.

611: The records office asked staff to keep confirmed observations separate from estimates, requests, and draft notices. A number in one administrative note may be discussed again in a later update. The team will reconcile the entries during its normal review.

89G609: For scheduling purposes, the coordination call has a provisional agenda and several teams may submit updates. The listed times are references for the meeting calendar and are retained in the file. Unresolved items remain with the team that submitted them.

p-483D: The facilities desk noted that visitor access and room setup will be confirmed later in the day. These arrangements may affect logistics and are tracked alongside the scenario. Staff will provide another update after the rooms are checked. The extended background record for this and revised and scenario preserves administrative observations, scheduling details, and staff comments for later reference. L#15: Record C2-671. The file preserves the following case entry. A pet shelter is stocking up on supplies for its dogs. They purchase a variety of kibble, canned food, chew toys, and treats. Since treats are given sparingly, they buy eight 3-pound boxes for the entire shelter. To ensure freshness, they buy twelve 9-pound bags of canned food. Kibble is the main diet for their dogs, so they purchase thirty-four 1892-pound sacks. Chew toys are essential for enrichment; thus, they acquire eighteen (8 + 10)-pound packs. Given that their delivery van can carry 210 pounds at a time, determine how many trips will the shelter need to transport all the supplies. The entry was retained with the case materials for review.
