Communications	10	11:00

K68: The morning desk received 30 messages, including 6 requests for follow-up. Can all messages be reviewed before the next check-in? The note was retained for the next review.

o-166L: 2. Topic and conditions update

1774: Several field notes refer to total, time, and spent. The note was retained for the next review. Staff have been asked to distinguish verified observations from planning scenarios in the public record.

N#52: A liaison asked whether the weather-sensitive update should be issued before 16:00. The answer depends on a later policy decision. The note was retained for the next review.

28/S8: The support team has received related comments about total, time, and spent; some mention weather conditions and others concern routine service access. The note was retained for the next review.

1799: Record 2A-395. The file preserves the following case entry. Emma was organizing a family picnic and planned to serve pasta salad. She realized she needed more napkins, so she purchased a new pack of napkins. Meanwhile, her sister also bought a pack of 18 napkins and handed them to Emma. As Emma prepared the salad, she used five napkins for cleaning up spills. When it was time to set the picnic table, she had a total of $(13 + 16)$ napkins. How many napkins were in the pack that Emma bought? The entry was retained with the case materials for review.

C&46: Field reminders: 1. Record observations using the current incident form. 2. Refer public questions to the latest verified bulletin. 3. Keep planning exercises separate from operational updates. 4. Confirm any schedule changes with the responsible team.

51V321: 3. Related observations and service notes

72/M2: The support desk has received several comments related to total, time, and spent. Some concern weather conditions, while others concern routine service access and public notices. The note was retained for the next review.

9p39: A school liaison asked whether the afternoon notice should be translated, and a transit operator requested the current bulletin for its drivers. Will the notice need a new headline? Communications will decide after the meeting. The note was retained for the next review.

34Y034: For record keeping, the incident log uses observation, service question, and planning scenario as separate labels. The note was retained for the next review.

F#72: 3.1 Coordination and records

8360: Before the coordination call, each team should review its own entries for clarity and remove duplicate attachments. The Secretariat will combine confirmed service updates into the meeting record, while unresolved questions remain assigned to

their originating team. The note was retained for the next review.

E#41: 4. Facilities and meeting logistics

69/R9: The east meeting room is reserved for 13 attendees, with 1 visitor badges awaiting confirmation. Is the west entrance open after 18:30? Facilities will confirm access arrangements before the afternoon briefing.

R09-739: Record 4A-165. The file preserves the following case entry. In a separate final and value and required record, the case owner counted 20 items in the first review and (5 + 7) in the second review. How many items did the case owner count altogether? The entry was retained with the case materials for review.
